

CITY OF ALAMEDA PLANNING BOARD DRAFT RESOLUTION

A RESOLUTION OF THE PLANNING BOARD OF THE CITY OF ALAMEDA APPROVING
PLN11-0034 – USE PERMIT, AT 1509 WEBSTER STREET

WHEREAS, an application was made on February 07, 2011, by Ling Siu and Eddie Siu, requesting a Use Permit for operation of proposed beauty salon, within the Webster Street Community Commercial zoning district; and

WHEREAS, the application was accepted as complete on February 15, 2011; and

WHEREAS, the project site is located within a C-C, Community Commercial Zoning District; and

WHEREAS, the project site is located within a Community Commercial Business District; and

WHEREAS, Planning Board held a public hearing on this application on March 28, 2011; and

WHEREAS, the Planning Board has made the following findings concerning the project:

- 1. The location of the proposed use is compatible with other land uses in the general neighborhood area, and the project design and size is architecturally, aesthetically, and operationally harmonious with the community and surrounding development.**

The proposed beauty salon use, as conditioned, will occupy an existing 1,250 square foot commercial space. The proposed space is on a commercially zoned (C-C) parcel facing Webster Street. The properties to the north, south, and east are zoned C-C as well. The properties to the west are zoned R-4. The customer entrance will be on Webster Street with an existing loading door to a parking lot at the rear of the building. The no alterations are proposed to the storefront along the Webster Street. The area has several similar uses with two other hair salons located on the same block of Webster Street. Several commercial spaces on the block are currently vacant.

- 2. The proposed use will be served by adequate transportation and service facilities, including pedestrian, bicycle and transit facilities.**

The proposed site is along the Webster Street commercial corridor. The General Plan designates Webster Street as a Primary Transit street and it has seven bus lines providing both local, trans-bay, and night service. Webster Street is also classified as a Commercial Main street supporting pedestrian-oriented retail. The location has one dedicated parking space at the rear of the property.

3. **The proposed use, if it complies with all conditions upon which approval is made contingent, will not adversely affect other property in the vicinity and will not have deleterious effects on existing business districts or the local economy.**

The proposed use, as conditioned, will be a small customer service use that fits within the pedestrian oriented commercial uses that make up the Webster Street district. It is an established business in Oakland, with an existing client base, that will be moving to Alameda. The 1,250 square foot space was previously an antique store. Two other hair salons and a barbershop are located on the same block. A fourth, Alameda Hair Salon, is closed. The project site is currently vacant and there are several other vacant commercial spaces on the block.

4. **The proposed use relates favorably to the General Plan.**

The Community Commercial designation includes uses such as, “include small retail stores, department stores, motels, automobile sales and service, and offices, depending on location.” The proposed beauty salon will provide a small service store, consistent with the General Plan designation for the Webster Street corridor and guiding policies 2.5.b and 2.5.d.

BE IT RESOLVED THAT, the project is Categorically Exempt from additional environmental review pursuant to CEQA Guidelines Section 15301 – Existing Facilities.
